

St. Joseph's School Christmas Fundraiser 2009

This year the teachers of St. Joseph have requested that in lieu of a Christmas present you make a donation in the name of your child's teacher to one of the following charities:

Spinal Muscular Atrophy (SMA) – SMA affects Rebecca, who is a student at St. Joseph's. SMA is incurable, untreatable and research is presently under-funded. It is characterized by the dramatic loss of spinal motor neurons, resulting in muscle weakness. The mind remains unaffected while the body wastes away.

Tim Hortons coffee for a soldier - Donate the taste of home to our troops serving in Kandahar, Afghanistan.

How to donate:

1. **SMA** – either online (see instructions to the right) or complete form below and send back to St. Joseph's school with a cheque made payable to FSMAC.
2. **Tim Hortons** – Purchase a Tim's card at your local Tim Hortons store and give it to your child's classroom teacher.
3. **Other** – Make your donation and fill out the form below and give it to your child's classroom teacher.

Have a Holy and Happy Christmas!

Donating to SMA online
